Step inside

This beautifully presented, modern home occupies a generous corner plot within an exclusive development in the highly sought-after village of Llangrove.

Tucked away in a quiet corner, the plot opens up to stunning south-facing countryside views, offering a peaceful and picturesque setting. Constructed by the esteemed local developers, Freeman Homes, this property offers five spacious bedrooms, three elegant bathrooms, and a contemporary kitchen-dining area.

Located on the edge of the village, the home is just a short walk from the village pub, primary school, church, and village hall, as well as the countryside walks that surround the area. With Ross-on-Wye and Monmouth less than 10 miles away and the M50 easily accessible, this location is perfect for commuters heading to Cardiff, Bristol, or Birmingham.

The property has been redecorated throughout, including new flooring and presents a fresh, tasteful and modern finish.

The ground floor is entered via a large and welcoming hallway, giving access to 2 storage cupboards and a ground floor cloak room with wc and wash hand basin, and a staircase leading to the first floor.

The hallway then leads into a bright and spacious living room, with French doors leading out to the rear garden, offering a

pleasant view over the surrounding countryside. There is a fireplace with attractive surround and recently installed woodburning stove, acting as a centerpiece for the room, and a bay window looking out to the front.

There is a good sized office located on the ground floor, ideal for those who work from home. This room would also be ideal as a children's playroom, music room, a separate snug or a formal dining room.

One of the most impressive rooms in the house is the open plan kitchen-diner, an attractive and inviting space perfect for entertaining guests. There are French doors leading out to the rear patio, as well as a window in the kitchen area overlooking the garden. The kitchen itself features plenty of base and wall units, with black granite worktops, and appliances include an eye-level electric oven, electric hob and built in dishwasher, with space for a large American style fridge-freezer.

Accessible directly from the kitchen is a utility room, with ample storage cupboards, worktop and sink, plenty of space and plumbing for appliances and a door leading out to the side of the house.

The first floor landing is light and open, with a pleasant front aspect, access to a loft hatch and an airing cupboard.

There are 5 bedrooms in total, all of which

are generous in size. Two double bedrooms sit to the rear of the house, enjoying impressive far reaching views over the nearby countryside. One of these bedrooms features a modern en-suite shower room and both have built in wardrobes.

Another double bedroom sits to the side of the house looking out over the garden. A further double bedroom looks out to the front of the property, also with built in wardrobes.

Last but certainly not least, is a superb guest suite, boasting a large bedroom area with space for a sofa and desk, a built in wardrobe and tastefully finished en-suite bathroom.

As well as the two en-suites, there is also a modern family bathroom with bath, overhead shower, wc, wash hand basin and heated towel rail.
